Shermer Sidepath Public Information Meeting

Wednesday, May 19, 2021

4:00 - 7:00 PM

1657 Shermer Road

Public Information Meeting

Following the completion of the Northbrook Bicycle and Pedestrian Plan, the Village has begun a preliminary engineering study for the construction of a sidepath along Shermer Road from Willow Road to Walters Avenue.

A sidepath is wider than a typical sidewalk and enables people to walk and bike along Shermer Road. The project would connect an existing sidepath in Glenview to downtown Northbrook, the Metra station, and destinations within the Village.
